## MAP TESTING

For our **Kindergarten - 8th grade** families, the second round of NWEA MAP testing will begin **Monday**, January 8. Please make sure your children get adequate sleep and proper nutrition so they can focus on doing their best.

### Helpful reminders to share with your child:

- It's okay to ask for help. Your teacher is there to guide you.
- You might get questions on something you haven't learned. It's okay if you don't know the answer. Pick the one you think is right.
- Don't rush. It's more important to do the best you can than to be the first to finish.

When we do receive snow, only those children (JPS-6th grades) that have the appropriate snow clothes with them will be allowed to play in the snow (*as per the handbook*).

- Snow boots (recommended) or a second pair of shoes and socks to change into after recess,
- snow pants (recommended) or a pair of dry pants to change into after recess, gloves or mittens.
- Students may not wear snow boots during class time. Students must have a different pair of shoes to wear during class time on snowy days.
