INCLEMENT WEATHER

In the event of a school closing, or late start, parents will be notified with a parent-alert text message or email, based on contact information in FACTS SIS. Closings and late starts will also be called into the local TV stations. Please look for Immanuel Lutheran School-Olivette. Thank you!

PSA:

Please take a moment to check the expiration date on your driver's license.

We've had some parents discover their licenses are expired when they volunteer to drive for field trips (apparently the county no longer sends notifications for renewal). You must have a current license and insurance to drive for field trips and you certainly don't want to pay the penalty if stopped by the police with an expired licence!
