EAGLE EYE NEWS

PSCE

Parents Supporting Christian Education

Save the Date! The first General Assembly gathering for PSCE is Thursday, September 14. Pizza will be available for purchase from 6-6:30 pm, followed by reports and news from our principal and PSCE Board from 6:30-7:30 pm Childcare is available for ILS students 5th grade and under. Parents who attend may earn one service hour! Please **RSVP to psce@ilsolivette.org by Monday, September 11**, so we know how many adults and kids to expect.

MAP TESTING

Next week, students in K-8th will take our **MAP® Growth Assessments on a computer or tablet. MAP Growth is designed to measure how well a student is learning critical skills. It gives teachers detailed, actionable information they can use to guide instruction and better support students. It measures progress over the school year and across school years in math and reading (K-8th), reading fluency (K-3rd), and language arts (2nd-8th).**

Helpful reminders to share with your child:

- It's okay to ask for help. Your teacher is there to guide you.
- You might get questions on something you haven't learned. It's okay if you don't know the answer. Pick the one you think is right.
- Don't rush. It's more important to do the best you can than to be the first to finish.

field trip

Field trip season is about to get underway! If you will be driving for any field trip, a copy of your driver's license & insurance card **must** be in the school office along with the signed drivers agreement from your child's teacher.

Spotlight on the Handbook

Throughout the year we will be shining the spotlight on various aspects of our Family Handbook.

Today we continue with highlighting our

Tardy Policy

It is of vital importance that students are in their classrooms ready to learn at the start of the school day. **Tardy is defined as arriving at the classroom after the designated start time of 8:30AM.** Students arriving after 8:30AM must sign in at the office with a parent.

We appreciate your assistance and attention to this detail, as we help our students and teachers at the start of the day.
