# EAGLE EYE NEWS

## Conferences

The partnership between families and Immanuel is truly special. One of the ways we partner together is through parent-teacher conferences. These conferences (**K-8th**) will take place Monday, September 25, and it is a time to share joys and concerns about your child. It also gives parents and teachers an opportunity to communicate ways to encourage growth, development and learning. We look forward to meeting with you and discussing these areas Monday.

We appreciate your help and time to do so!
