Pastor's Devotion

I would like to think that I love all God's creatures. Despite my wife's hesitation, that also includes many bugs. However, I remember once a few years ago when I was driving, a big ol' cicada flew in through about an inch gap in the window, landed in my lap and started squawking. It was ear-piercing and frightening as I had to keep my hands on the wheel! Eventually I was able to coax him out. Whew! In chapel this past week, we learned about how Jesus is over and above all things. We heard how He triumphs over diseases, blindness, even the wind and the waves obey His words. So, when He comes in contact with evil, He always triumphs over it. And, He does so with such speed, such confidence, and such ease that those who are watching stand in amazement!

Even in 2024, the Word of God has the same power it did then. When we Hear His Word, God is present, evil shudders, the old Adam begins to flee, and the Holy Spirit works to protect and strengthen us in Jesus. If you ever find yourself in a frightening moment, remember that Jesus is there to protect you and sends His angels to watch over you. So, speak His Name, say the Lord's Prayer, call on Him in trouble, for He is always there for you!

"Lord Jesus, thank you for the great power in Your Word! Thank you for making it so accessible to me. Help me to speak it, and call upon You in every trouble, pray, praise, and give thanks."

- Pastor Schrader
