

Hello ILS Families,

Below is a review of our facility parking lot use procedures:

- Enter through the west most drive for West building pick up
- Enter through the east most drive for East building pick up
- **Drop Off & Pick up areas** – remain the same
- **NO car zone** – insure safety of families
- **Exit procedure**
 - Please use the main west drive if you want to go **west** on Olive
 - Please use the east building drive if you want to go **east** on Olive
 - **Children are all around our campus, please travel no more than 5 mph until you exit our lots, for everyone's safety**

This procedure will be used for both drop off and pick up every day.
