Pastor's Devotion

What an incredible week we had! The spelling bee in the gym, Dr. Brackman's chapel service about fanning the flame of the Holy Spirit, basketball games, music, a sing along in the sanctuary, and the sun seems to be shining a little brighter through the coldness.

Through the events and things around us, we can see the love of our Triune God. The plants, animals and sunshine remind us of our amazing Creator, the renewed morning reminds us of God's renewal in forgiveness, and the support and love we receive reminds us of the Holy Spirit's work in each of us. Not every day is perfect, not every day is easy. When you have a day or a season which seems difficult, look around you, and try to count the ways that God shows His love for you. The warm sun, the bright colors, a peaceful evening, a beautiful sunset; none of these things would be there if He hadn't prepared it for you. He is there with you, in every little thing. He is speaking. He hears you. He loves you.

"God, thank you for creating, restoring, and loving me. Thank You for being near me. Help me to see the many ways You love me, and to share Your love with others. Amen."

- Pastor Schrader
