

Inclement Weather

IMPORTANT While school closings are most often weather-related, our school may also be closed for other reasons, such as electrical outages, severe building damage, etc. Please note that these same procedures will be followed for all school closing situations.

ABOUT LATE STARTS

A late start decision means that Immanuel will have:

- **No Before Care**
- **10:10 am - Car Line begins**
- **10:30 am - School begins**

2022-2023 School Year: There are 52 inclement hours built into the calendar (equals ~8.5 school days)

About Winter Weather Decisions

- Every attempt is made to make decisions to close or start school late prior to 5:30 am.
- Parent Alert text, voicemails, and emails are delivered within 20-25 minutes of a decision. There is no way to change call delivery times to suit the preferences of individuals.
- It is important for Immanuel to have accurate primary contact information for all families. Please make sure your Immanuel **Family Portal** School Information is up to date.

Most Importantly – Be Prepared!

The time to begin planning for inclement weather events is *now* – before the winter storms begin to strike. Please take time in advance of winter weather events to determine your individual plan for your children when Immanuel is closed, begins late, or is dismissed early.

POTENTIAL E-LEARNING DAY

First three inclement weather days will not be e-learning days. After the first three days the Principal will announce whether the day **IS** or **IS NOT** an e-learning day.
