## ENROLLMENT CONTRACTS

Immanuel is GROWING!!!

All current students that are returning should have already turned in their enrollment contracts this past Monday.

We are now accepting contracts on a space-available basis; so if your child's contract has not been returned, their spot is now available for open enrollment if their class was full.

## YEARBOOK PHOTOS

Please submit any photos that you have taken throughout the year for the yearbook. You can scan this QR code or click the link. Please make sure you are adding to the Immanuel Lutheran 2024 yearbook. You will have to create a log in if you have not previously.

## SOLAR ECLIPSE

Next Monday, April 8, ILS will be viewing the Solar Eclipse! Please be sure to have your permission form turned in if your child is wanting to participate in this amazing event.

# ACCREDITATION

We look forward to our Visit Team to being on campus next Thursday & Friday to validate our self-study report. Please keep us in your prayers as they see all the hard work our faculty, staff & parents have put together!

## RECYCLING & TRASH

The dumpsters next to the garage/pavilion are for our Immanuel facility use only. Members, staff & school families are not to place personal trash, lawn debris, or recycling items in the dumpsters. Lawn debris from Immanuel grounds cannot be placed in the Recycle or Trash dumpsters. Our dumpsters are checked from time to time by our trash company. If lawn and landscape debris is discovered in our dumpsters, Immanuel will be fined.

## Pastor's Devotion

I'm not sure if you've noticed, but at the west building of the school for the normal morning car drop off, there is a bird's nest in the light fixture above your head as you enter through the door. So far, the bird has been kind enough to keep its distance as we all enter the building, returning when the door is shut.

Surely there is a great anticipation, as the eggs are kept warm for the youngling birds to hatch! Soon they will need food, grow, and learn to fly. We too have anticipation each day we enter school; what will our day be like? What will the year be like? The days are getting warmer, brighter, and more comfortable, and anticipations of summer are also starting to emerge!

God has always promised His people that good things are coming. Just like in days of old, when to Adam and Eve, Jesus was foretold, to the children of Israel a release from captivity was prophesied, to Abraham a great nation and lineage was promised, we too like so many others wait in anticipation of what God has set for us to receive, life in Christ and eternal joy with Him!

So, as you wait with anticipation, stand firm in the faith. Remember what you have been taught. Don't lose hope, but remember His promises always, and continue to live your life worthy of the calling He has given to you, today, tomorrow, and forever. We eagerly and faithfully wait in anticipation together!

"Lord, thank you that through Your death and resurrection, I may eagerly await the wonderful things You have in store for me. Help me, as I wait with holy anticipation, to share that joy with all those around me. Amen."

- Pastor Schrader
