## MAP TESTING

For our **Kindergarten - 8th grade** families, the second round of NWEA MAP testing will begin January 8. Please make sure your children get adequate sleep and proper nutrition so they can focus on doing their best.

### Helpful reminders to share with your child:

- It's okay to ask for help. Your teacher is there to guide you.
- You might get questions on something you haven't learned. It's okay if you don't know the answer. Pick the one you think is right.
- Don't rush. It's more important to do the best you can than to be the first to finish.

## Seasonal Weather Reminder:

As the weather gets colder to reflect the winter season, please remember, weather permitting, we will have recess outside.

Please be sure your child has weather appropriate clothing as they will not be allowed to stay indoors because they are cold.

When we do receive snow, only those children (JPS-6th grades) that have the appropriate snow clothes with them will be allowed to play in the snow (as per the handbook).

- Snow boots (recommended) or a second pair of shoes and socks to change into after recess,
- snow pants (recommended) or a pair of dry pants to change into after recess, gloves or mittens.
- Students may not wear snow boots during class time. Students must have a different pair of shoes to wear during class time on snowy days.
